Subject: COUNCIL INVESTIGATION ON NEXT AGENDA

AUG 05 2008

BY: RBR

Gloria Williams, Acting City Clerk:

Please let everyone know that I would like to place on the next Council Meeting Agenda, discussion and Action, the following:

1. Micromanaging as reported by a Council member to the Newspaper. I would like to subpoena the newspaper reporter to the council investigation to get all the facts. Our charter allows this kind of investigation.
2. The City Manger Resignation issue, as reported by the same reporter.
3. The Council's Authority to investigate, anyone else related to micromanaging, Subpoena witnesses, including former council members.

Subject: Agenda Item/Confirmation

AUG 05 2008

BY: RBC 2:00pm

Debbie Renner, City Clerk,
Gloria Williams, Asst. City Clerk:

This is to confirm that the Agenda item, I
put for discussion and Action, is intact.

The City Attorney has advised on my right as
a Council member to initiate a discussion
to elicit answers and explanations as well as
clarity from Vice-Mayor about his concerns
and THEORY that he talked about to a News-
reporter.

There is no SUBPOENA at this time for any
news reporter, but it cannot be ruled out if
this matter cannot be settled in the City Council
meeting on August 12 th, 2008.

Kindly add this e-mail as an additional piece
of information to the Agenda packet.
