RE: Third Party Acceptance of Credit Card and Check Payments for OCU

DATE: August 17, 2009

PURPOSE

By adopting Resolution No. 560-09 Council establishes the ability for Orange City Utility Customers to pay water/sewer bills with their credit card or check via on-line or by telephone.

BACKGROUND

Staff of the Water Utility continues to receive requests from customers for the ability to pay their water bill by credit card. In 2008 this topic was brought before Council requesting authorization for the City Manager to enter into a contract for these services. At that time authorization was not received.

It was Council's direction to issue a survey to the Utility customers. Of the customers that responded to the survey more than 15% responded positively to having the option of paying their bill using a credit card, subject to an additional fee. Soon after the survey was conducted a module was enabled that allowed customers to view water bill and to check the status of their account online via the city website.

Staff is seeking approval to activate the module that will enable customers to pay their bill online through our secure website using a computer, or by phoning in a payment thru a third party provider. This service will cost the city \$395 in set-up charges. Only when a customer chooses to use these pay options will they be subject to the third-party convenience/user fee (\$4.45). Other agencies report favorable responses from their customer when similar systems were activated. This feature [if activated] provides our customers with a mechanism to pay their bill while out of the area, at work or in the evening. Customers request these options on a regular basis, especially when they are facing the assessment of a \$15 late fee or a \$40 delinquent fee.

At this time staff desires to re-visit this topic with management and to ask Council for authorization for the City Manager to enter into a contractual agreement that will enable utility customers to pay their bill online thru our secure website or by telephone.

RECOMMENDATION

Staff respectfully requests Council's approval of Resolution No. 560-09, which authorizes the City Manager to enter into a contractual agreement with OPC to provide additional payment options for OCU customers.

RESOLUTION NO. 560-09

3.1.4 Other than permitting OPC to charge the Convenience Fees in accordance with this Agreement, Agency will not impose any surcharge or penalty on electronic check transactions made by Citizens under this Agreement.

3.1.5 If Agency requests a customized reporting format, Agency shall provide OPC with its desired reporting format sufficiently in advance of the requested report delivery date. Customized reporting formats require OPC's prior written approval.

3.1.6 Agency will not require, as a condition to making an Agency Payment, that a Citizen agree in any way to waive such person's rights to dispute the transaction with their banking institution for legitimate reasons.

3.1.7 Subject to the restrictions of the section entitled "Intellectual Property", Agency will actively promote the Services to its Citizens at its own expense. These promotions shall include publishing the relevant URL for the OPC Website and relevant telephone number (as applicable) on all tax instruction booklets, tax preparer communications, taxpayer information publications, citations and notices, and all related marketing materials. 3.2.3 Agency will establish a reasonable adjustment policy to accommodate adjustments that are required in the normal course of Agency's daily operations.

4. FEES, TAXES, AND PAYMENTS.

4.1. Electronic Check Fees and Taxes. Agency shall pay OPC fees for Services in accordance with the rates set forth on **Exhibit A** ("Fee Schedule"), which is incorporated into this Agreement by reference. OPC will charge Citizens a Convenience Fee for each Payment Transaction. The Convenience Fee is non-refundable. The Convenience Fee is processed with the corresponding Agency Payment as a part of a unified transaction. Agency fees are calculated on a monthly basis and are debited from the Agency Designated Account monthly in arrears by OPC or its Suppliers. In the event that OPC incurs an increase in transaction processing fees, taxes or other increase in fees required by applicable law or government or association regulation during the term of this Agreement, OPC may pass through such charges to Agency. Agency fees are subject to change by OPC after the initial term, upon thirty (30) days prior notice to Agency. Agency shall pay to OPC, and during the term of this Agreement and for sixty (60) days thereafter OPC (or its Suppliers) may debit from the Agency Designated Account, any other amounts owed by Agency under this Agreement, including, but not limited to, chargebacks, deposit charges, refunds, fines (inclusive of those imposed by NACHA), Returned Transaction Fees, ACH debits that overdraw the Agency Designated Account, and any other fines or liabilities incurred under this Agreement by Agency. Any fees and charges or other liabilities owed by Agency and not paid when due shall bear interest of 1.5% per month until paid.

4.2 Credit/Debit Card Fees. OPC may charge Citizens a Convenience Fee for each Card transaction processed, to be collected in addition to the corresponding Agency Payment as part of a unified Card transaction. A schedule of the Convenience Fees for Credit/Debit card Payment Transactions is attached to this Agreement as **Exhibit B**, and OPC may amend this schedule at any time upon prior written notice to Agency. Except for any fees to be paid by Agency as set forth in Exhibit B, OPC shall not charge Agency a fee in consideration for OPC providing the Card Services to Citizens. Enhancements to the Services or additional services not provided for in this Agreement, and any related fees payable by Agency in connection therewith, will be mutually agreed upon by OPC and Agency.

4.3 Agency Designated Account. Prior to any Payment Transaction, Agency will establish an Agency Designated Account and will provide OPC with the electronic record specifications necessary for funds settlement and the posting of Agency Payment data related to payments. Agency shall maintain such account during the term of this Agreement and for at least 90 days after expiration or termination for any reason. Agency agrees to maintain sufficient funds in the Agency Designated Account to satisfy all fees, charges and other obligations of Agency under this Agreement. Agency authorizes OPC, its assignee or its Suppliers to debit via ACH transfer, the Designated Account for any such amounts Agency owes OPC under this Agreement. If the amount in the Agency Designated Account does not contain sufficient funds to cover fees and obligations of Agency, Agency agrees to pay OPC the amount it owes under this Agreement upon demand, together with all costs and expenses incurred to collect that amount, including reasonable attorneys' fees. The authority granted by this Section shall survive the termination of this Agreement.

5. SUSPENSION; RESTRICTIONS. OPC may immediately suspend the Services or withhold Services or individual financial settlements in the event (i) OPC has reason to believe there has been or may be a breach of security, fraud, or misrepresentation in connection with the Services, (ii) continued provision of the Services would violate any applicable law, government regulation or the NACHA rules and regulations, or (iii) the financial status or credit quality of Agency is substantially diminished in the reasonable discretion of OPC. OPC will provide notice and opportunity to cure if practical, depending on the nature of the event causing the suspension. In the event of a suspension under this Section 5, OPC may require Agency to establish a reserve account or institute other mutually agreed restrictions prior to OPC restoring Services. OPC shall have no liability for any suspension in accordance with the terms of this Section 5.

6. TERM AND TERMINATION.

6.1. Term. This Agreement shall be effective upon the date of full execution and has an initial term of two (2) years ("Initial Term"). This Agreement shall automatically renew for successive one year periods (a "Renewal Term"), unless either party provides written notification to the other party of its decision not to renew this Agreement no later than 90 days prior to the end of the then current term.

6.2. Termination.

6.2.1 Termination For Cause. Either party may terminate this Agreement for cause in the event of a material breach by the other party, which breach is not cured within thirty (30) days after written notice of such breach is provided to the other party.

6.2.2 Termination By OPC. OPC may terminate this Agreement at any time upon written notice to the Agency in the event the provision of the Services hereunder is determined by OPC in its sole discretion to violate any statute, regulation, rule, order or operating procedure enacted or promulgated by a governmental or judicial authority of competent jurisdiction, NACHA (or any similar industry organization with authority over the Services), or in the event that any statute, regulation, rule, order or operating procedure is enacted or promulgated which effectively reduces or eliminates the fees charged by OPC.

6.2.3 Termination For Convenience. Either party may terminate this agreement for convenience upon 60 days prior written notice to the other party.

7. ACCOUNT MONITORING; SECURITY. OPC and its Suppliers may monitor the use of Services or Payment Transaction activity and investigate unusual or suspicious activity to the extent it is with reasonable discretion and in compliance with applicable laws and government regulations, provided that in no event does OPC assume any responsibility to discover any possible breach of Agency's security or misuse of the Services. Agency and OPC shall immediately notify the other if either discovers any breach of security. OPC shall have the right, at OPC's sole cost, to inspect Agency's operation, system and web site to verify Agency's compliance with its security obligations. Agency shall be responsible for failure to use reasonable security precautions and for any fraud committed by its employees, representatives and Citizens as a result of such failure in connection with the use of the Services.

8. INTELLECTUAL PROPERTY. In order that Agency may promote the Services and OPC's role in providing the Services, OPC grants to Agency a revocable, non-exclusive, non transferable, royalty-free license to use OPC's logo, trademarks and other service marks (the "OPC Marks") for such purpose only, in a form as approved by OPC. Agency does not have any other right, title, license or interest, express or implied, in and to any object code, software, hardware, OPC Marks, service mark, trade name, trade dress, formula, OPC System, know-how, telephone number, telephone line, domain name, URL, copyrighted image, text, script (including, without limitation, IVR or the OPC Website scripts) or other intellectual property right of OPC (collectively "OPC Intellectual Property"). All such OPC Intellectual Property, and all rights and title therein (other than rights expressly granted in this Agreement) are owned exclusively by OPC. Agency's license to use any OPC Marks shall terminate upon the earlier of (a) the effective date of termination or expiration of this Agreement, or (b) immediately, in the event of any breach of this section of the Agreement by Agency. Agency will not utilize any OPC Intellectual Property in any manner that would diminish its value or harm the reputation of OPC. Agency agrees that any use of the OPC Marks will conform to reasonable standards of acceptable use specified by OPC.

9. COMPLIANCE WITH LAWS, RULES AND REGULATIONS.

The parties shall comply with all applicable laws, rules and regulations of federal, state and local governmental authorities and governing industry associations, including without limitation, Federal Reserve Regulation E (12 C.F.R. Part 205), the rules of the NACHA, the Card company rules and regulations, and all applicable privacy laws and regulations, all of which are incorporated herein by reference and made a part of this Agreement as if set forth in full herein. OPC may from time to time establish reasonable rules, regulations and operational guidelines with respect to use of the Services by Agency, and Agency agrees to be bound by and comply with such rules, regulations and guidelines thirty (30) days after delivery thereof to Agency, unless immediate compliance is required by law or regulation or otherwise agreed upon in writing by the parties.

10. WARRANTY AND DISCLAIMER.

10.1 **Warranty.** Each party represents and warrants that it has the full legal right, authority and power to enter into this Agreement and perform its obligations hereunder and that the person who signs the Agreement for each party has full authorization to bind the respective party. Agency shall provide to OPC the standard set up form for electronic check transactions ("Agency Set Up Form") and deposit instruction form for Card transactions ("Electronic Deposit Instructions") within ten (10) days of full execution of this Agreement. Agency represents and warrants to OPC that all information provided in such form is current, correct and complete. Agency agrees to notify OPC in writing of any changes to such Agency information within ten (10) days of such change.

10.2. **Disclaimer.** OPC and its Suppliers are providers of the Services, not insurers, and as such, Agency acknowledges that electronic payment transactions and data processing involves the inherent risk of human and machine errors, omissions, delays and losses including inadvertent loss or misstatement of data. OPC and its Suppliers do not, and cannot, control the flow of data to or from the OPC System, which depends in large part on the Internet and third parties, including without limitation connectivity/access providers. Accordingly, neither OPC nor its Suppliers warrant that the Services will be error free, uninterrupted, and secure or virus free, and OPC and its Suppliers disclaim liability resulting from or related to such events. Except as expressly provided for herein, the Services are provided "AS IS" and "AS AVAILABLE", and OPC and its Suppliers make no other representations or warranties of any kind whatsoever, whether express or implied, by operation of law or otherwise, including, without limitation, any implied or statutory warranties of merchantability or fitness for particular purpose.

11. **INDEMNIFICATION.** The parties shall indemnify, defend, and hold each other harmless from any and all claims and suits for any losses, damages, or costs arising therefrom, including reasonable attorney's fees, alleged or asserted by a third party to the extent arising from the indemnifying party's gross negligence or willful misconduct which results in (i) bodily injury, sickness, disease or death or (ii) any loss, damage or destruction of personal tangible property. This obligation is further conditioned on the indemnifying party receiving from the other party prompt written notification of any such claim and the other party cooperating fully with the indemnifying party in the defense of any such action.

12. **LIMITATION OF LIABILITY.** OPC OR ITS SUPPLIERS SHALL NOT BE LIABLE FOR INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF PROFITS, REVENUE, DATA OR DAMAGES FROM LOSS OF USE OR DELAY, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, HOWEVER ARISING UNDER ANY THEORY (INCLUDING BUT NOT LIMITED TO NEGLIGENCE, CONTRACT, STRICT LIABILITY OR UNDER STATUTE), EVEN IF OPC HAS BEEN INFORMED IN ADVANCE OF THE POSSIBILITY OF SUCH POTENTIAL CLAIM, LOSS OR DAMAGE. OPC'S TOTAL AGGREGATE LIABILITY FOR DAMAGES FOR ANY ACTION ASSOCIATED WITH THIS AGREEMENT OR THE SERVICES PROVIDED SHALL IN NO EVENT EXCEED THE AMOUNT OF THE CONVENIENCE FEE PAID TO OPC IN CONNECTION WITH THE PARTICULAR PAYMENT TRANSACTION GIVING RISE TO DAMAGES HEREUNDER. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. Agency acknowledges that without its agreement to the limitations contained herein, OPC would be compensated differently, and would charge Agency directly for Payment Transactions. Notwithstanding anything to the contrary contained herein, OPC shall not have any liability for delays in receipt or processing of Agency information or Payment Transactions due to causes beyond its reasonable control, including, without limitation, failures or limitations on the availability of third party telecommunications or other transmission facilities or Agency's or Citizen's failure to properly enter and/or transmit information.

13. **CONFIDENTIALITY.** The term "Confidential Information" shall mean any and all information which is disclosed by either party to the other verbally, electronically, visually, or in a written or other tangible form which is either identified or should be reasonably understood to be confidential or proprietary, including but not limited to this Agreement and the terms, conditions and pricing contained herein, Agency and Citizen personally identifiable data, the OPC System, and OPC and Agency trade secrets, computer programs, software formulas, inventions, techniques, marketing plans, documentation strategies, and forecasts. Each party agrees that it will not make use of disseminate, or in any way disclose the other party's Confidential Information to any person, firm or business, except as authorized by this Agreement

and limited to the extent necessary for performance of this Agreement, except that OPC may use information for tax collection and other purposes as specifically permitted by federal or state law; may use personal information provided by Citizens to establish and maintain individual user accounts requested to be established by such Citizens with OPC for purposes of the Services; and may use certain non-personally identifiable transaction data and IVR and OPC Website traffic information which are compiled in aggregate for the purpose of preparing and distributing statistical reports and for public company reporting purposes. Each party agrees that it will disclose Confidential Information of the other party only to those of its employees and Suppliers who have a need to know such information and who have agreed to be bound by the non-disclosure terms and conditions of this Agreement prior to disclosure. Each party agrees that it will treat all Confidential Information of the other party with the same degree of care as it accords its own confidential information, and each party represents that it exercises reasonable care to protect its own confidential information. However, neither party has responsibility for safeguarding the Confidential Information of the other party that is (i) publicly available, (ii) already rightfully in such party's possession and not subject to a confidentiality obligation, (iii) obtained by such party from third parties authorized to make such disclosure, or (iv) independently developed by such party without reference to or use of the Confidential Information of the other party. Notwithstanding the foregoing, the party receiving Confidential Information shall not be in violation of this section with regard to a disclosure that was in response to a valid order by a court or other governmental body, provided that the receiving party provides the other party with commercially reasonable prior written notice of such disclosure in order to permit the other party to seek confidential treatment of such information, and provided that the receiving party has been advised by legal counsel that such disclosure is required by law, and such disclosure is limited to the minimum extent required by law. Within ten (10) business days following the date of any termination of this Agreement or upon expiration, Agency agrees to return all confidential information and materials provided by OPC to Agency.

14. GENERAL PROVISIONS.

14.1 Entire Agreement; Severability; Waiver. This Agreement, together with the attached exhibits, which exhibits are incorporated by reference into this Agreement, constitutes the entire agreement between Agency and OPC with respect to the subject matter hereof, and supersedes any prior agreement, oral or written, between Agency and OPC and/or its representatives(s) in connection with this Agreement. Agency agrees that the failure of OPC to enforce any terms or conditions of this agreement is not a waiver of such or any other terms or conditions herein contained. Except as explicitly provided by this Agreement, this Agreement may not be changed or amended except by a writing executed by authorized representatives of both parties. If any provision herein is held to be invalid or unenforceable for any reason, the remaining provisions will continue in full force without being impaired or invalidated in any way. The parties agree to replace any invalid provision that most closely approximates the intent and economic effect of the invalid provision.

14.2 Remedies. Except as otherwise expressly provided in this Agreement, all remedies available to either party are cumulative and not exclusive, and termination, expiration or suspension shall not limit either party from pursuing other remedies available at law or in equity.

14.3 Assignment. This Agreement may not be assigned by either party without the prior written consent of the other party, provided, however, that the foregoing shall not prohibit OPC from assigning this Agreement or its rights hereunder, nor require the consent of the Agency, in connection with any change of control, corporate reorganization, merger or consolidation of OPC. Any purported assignment, transfer, or delegation in violation of this Section shall be null and void. Subject to the foregoing, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by the parties and their respective successors and assigns.

14.4 Status of the Parties; Suppliers. The parties are independent contractors, and nothing herein shall be construed to create a partnership, joint venture, franchise, employer-employee relationship by or between Agency and OPC. No party shall have the authority to commit or bind any other party without such party's prior written consent. Agency acknowledges and agrees that certain portions of the Services which enable Payment Transactions may be provided by OPC Suppliers, including, but not limited to, processing and formatting of Payment Transactions and the debiting and crediting of the Agency Designated Account in accordance with the terms of this Agreement.

14.5 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of FL excluding its conflicts of law rules. Exclusive jurisdiction and venue for any claim or action arising out of or relating to this Agreement shall be in the state or federal courts located in the State of FL.

14.6 Notices. PCI Security Requirements
(Applicable to Agency using STP Payment Processing Only)

PCI Data Security Standard is a set of requirements established by the Payment Card Industry to protect cardholder and transaction data. These requirements apply to all Payment Card Industry members, merchants, and service providers that store, process, or transmit cardholder data, and apply to all "system components", which is defined as any network component, server, or application included in, or connected to, the cardholder data environment. Network components, include, but are not limited to, firewalls, switches, routers, wireless access points, network appliances, and other security appliances. Servers include, but are not limited to, web, database, authentication, DNS, mail, proxy, and NTP. Applications include all purchased and custom applications, including internal and external (web) applications.

The Agency shall be responsible for Information Technology (IT) security for all personnel with access to the Agency network, systems connected to the Agency network or those applications developed and/or operated by the Agency.

This includes but is not limited to information technology, hardware, software, and the management, operation, maintenance, programming, and system administration of computer systems, networks, and telecommunications systems.

Examples of tasks that require security provisions include but are not limited to acquisition, transmission or analysis of data owned by Agency and/or OPC or access to Agency networks or computers at a level beyond that granted the general public, e.g., bypassing the Agency firewall.

PCI standards require that Agency shall have a documented, implemented, and properly maintained IT Security Plan for the duration of the Agreement.

This Plan shall describe the processes, procedures and training of personnel that will be followed to support the appropriate security of IT resources that are developed, processed, or transmitted during this Agreement.

This Plan must address the security measures and safeguards that will be provided to support the privacy, confidentiality, and integrity of sensitive information. It must address the protection mechanisms used for unauthorized access, alteration, disclosure, or misuse of processed, stored, or transmitted information.

Agency shall have appropriate technical, personnel, administrative, environmental, and access safeguards; and operate effectively and accurately.

Agency shall review all PCI technical and physical security requirements, and shall ensure that connections to all Agency platforms, operating environments, and applications are protected to prevent unauthorized access and assure accountability, availability, and integrity.
